Have You Heard Our Groundbreaking News?

The North East Dental Arts team is excited to announce that we will be relocating to a brand new office by the end of this year! Dr. Nuhfer made the decision to expand the practice by purchasing the vacant building at 90 East Main Street in North East, PA.

Demolition has reached completion, and the brand new North East Dental Arts office is beginning to take form. Our new office will feature a larger parking lot and 9 equipped treatment rooms; that's nearly double what we have in our current office!

To follow the progress, please "LIKE" us on [Facebook](#) and read our newsletter each month!

Meet The Team: Lee Ann Henkes!

Lee Ann celebrated her 15 year anniversary with us at NEDA on July 1st!

Lee Ann is a life-long resident of North East. She has been in the dental field for over 35 years and has been an employee of North East Dental Arts since July 2002.

Lee Ann and her husband Roy, with their love of travel, have visited many interesting places in the world. Closer to home, they get to as many Penguins games as they are able.

Patient Of The Month: Sal F.

Once a month, our team members nominate a patient that has been seen during the month who makes our jobs easier and more fun!

Congratulations Sal, and thank you for choosing our office to exceed your dental needs!

Referrals Make The Greatest Compliments!

Have you heard about our exciting referral program? Several benefits to referring your family & friends to North East Dental Arts include:

- You know your family & friends are in good hands with doctors and a team that you already trust!
- Current patients receive a \$25 gas card for each new patient they refer to our office.
- New patients referred by current patients receive a \$25 credit on their account.
- Each referral enters current patients into a drawing for a chance to win a grand prize!

Ask one of our team members what you could win, or [Click here to see more contests and the prize for this month!](#)
