

Summer is coming! Are your kids scheduled?

We have a few appointments still available for your children's checkups. Call today to reserve your time!

4 Tips For Summer Dental Health:

- 1. Get a New Toothbrush:** If it's been 3 months since you last changed your family's toothbrushes, it's time to get new ones! We offer a brand new toothbrush after checkup and cleaning appointments. If your child is due for an exam, call us today – we'll happily give you an Oral Hygiene Kit after your visit!
- 2. Eat Healthy Summer Snacks:** If your child is spending time at camp or with a baby sitter, make sure to provide snacks that are healthy and good for their teeth like cheese sticks, veggie sticks, fresh fruit, dried fruit chips, and trail mix with nuts and fruits.
- 3. Stay Hydrated with Water:** Help your child stay hydrated and prevent future cavities by giving water instead of sports drinks and soda. All that sugar can lead to increased cavities and expenses. Invest in a Protective Mouthguard: If your child is staying active with summer sports or outdoor activities, talk to our dentists about a custom protective mouthguard or sportsguard.
- 4. Schedule Dental Checkups & Treatment:** We know it's always a challenge scheduling and keeping dental visits during the school year. Now is a great time to schedule your child's checkup, cleaning and any treatment that you may have been delaying. Taking care of recommended dental treatment now before they become an emergency saves you time and money.

Meet the Team: New Team Member!

Dr. Nathan Rieck will join our team June 19th!

Hometown: Butler, Pennsylvania
High School: Knoch High School
College: Clarion University
Graduate School: University of Pittsburgh
Hobbies & Interests: The outdoors & fishing

To learn more about Dr. Rieck, [click here](#).

We are excited to be bringing on an Associate Doctor

Patient of the Month: Kelly H.

Once a month, our team members nominate a patient that has been seen during the month who makes our jobs easier and more fun!

Kelly was nominated by our Treatment Coordinator Alicia, for being a positive voice, both in our office and in the community.

Thank you, Kelly, for all you do for our office!

Have you heard our groundbreaking news?

The North East Dental Arts team is excited to announce that we will be relocating to a brand new office by the end of this year! Dr. Nuhfer made the decision to expand the practice by purchasing the vacant building at 90 East Main Street in North East, PA.

The building will be demolished, and a brand new North East Dental Arts office will take form this summer. Our new office will feature a larger parking lot and 9 equipped treatment rooms; that's nearly double what we have in our current office!

To follow the progress, please "LIKE" us on [Facebook](#) and read our newsletter each month!

Referrals make the greatest compliments!

Have you heard about our exciting referral program? Several benefits to referring your family & friends to North East Dental Arts include:

- You know your family & friends are in good hands with doctors and a team that you already trust!
- Current patients receive a \$25 gas card for each new patient they refer to our office.
- New patients referred by current patients receive a \$25 credit on their account.
- Each referral enters current patients into a drawing for a chance to win a grand prize!

Ask one of our team members what you could win, or [Click here to see more contests and the prize for this quarter!](#)

RAFFLE ALERT!

Enter for your chance to win the Ultimate Family of 4 Combo Package to Waldameer! Ask about our "Smile it Forward" program!

PACKAGE INCLUDES:

- 4 1-Day Combo Passes to Waldameer & Water World
- \$100 Wally Card; use to buy food, snacks & games
- 1-Day Cabana Rental; includes lock box, refrigerator, chairs & table in Water World
